

Black River Valley Horse Association

Ride, Drive and Provide Program

This program is to give recognition for what we love to do the most – spend time riding, driving and donating time to help **BRVHA**.

Whether you ride or drive for pleasure, spend time schooling your horse or the time you help working at shows or work days, we want to reward you for your achievements. This program allows you to get credit for your recreational riding and driving and acknowledge your dedication for volunteering for BRVHA.

Those with the most hours will be rewarded at the 2017 Year-End Banquet. Awards given to 10th place in each Division. The rider's age is determined as of January 1, 2017
